# EARS TRAIN THE BRAIN

*Why do I need auditory brain training?*

## WHAT IS cLEAR AUDITORY BRAIN TRAINING?

The cLEAR program is centered on a series of computerized brain training games that are fun to play! Your hearing healthcare provider (HHP) will provide a personalized lesson plan to guide your gameplay and address your individual needs and goals.

## WHAT BENEFITS WILL I GET FROM AUDITORY BRAIN TRAINING?

Users typically experience increased confidence in conversations and find it takes less effort to listen to and understand speech. Research also shows significant improvements in understanding speech in a noisy setting.

## HOW DO I GET STARTED?

### SPEAK TO YOUR HHP

Your HHP can help you join the cLEAR program, and will guide you through the process of auditory brain training.

### VISIT OUR WEBSITE

Our online video tutorials make it easy to begin your personal auditory brain training program, with coaching and support from our in-house audiologist.
